## LK-713K

Signal lamp

**Do not dispose of this device in the trash along with other waste!** According to the Law on Waste, electro coming from households free of charge and can give any amount to up to that end point of collection, as well as to store the occasion of the purchase of new equipment (in accordance with the principle of old-for-new, regardless of brand). Electro thrown in the trash or abandoned in nature, pose a threat to the environment and human health.

### Purpose

The light signal LK-713K is used for optical signals the presence of voltage in the phases of three-phase electrical network.

### Functioning

The presence of voltage during operation is indicated by the corresponding LED light included in this phase of the circuit.

Where the point of connection to the network lights the fuse is installed under-current equal to or greater than 25 A a circuit to connect the lamps care fuse should be no more than 6 A.

### Mounting

1. Check the sequence of phases.
2. Take off the power.
3. Put on indicator on the rail in the switchgearbox.
4. Connect to system with marks.

## Technical data

power supply	3×230 V+N
current load	1.7 mA
voltage indicator	3×LED ø5 (red/yellow/green)
power consumption	1.1 W
working temperature	-25÷50°C
terminal	2,5 mm <sup>2</sup> screw terminals
tightening torque	0.4 Nm
dimensions	1 module (18 mm)
mouintng	on the TH-35 rail
ingress protection	IP20

## Connection diagram

## Warranty

F&F products are covered by a 24-month warranty from the date of purchase. The warranty is only valid with proof of purchase. Contact your dealer or contact us directly.

## CE declaration

F&F Filipowski L.P. declares that the device is in conformity with the essential requirements of The Low Voltage Directive (LVD) 2014/35/EU and the Electromagnetic Compatibility (EMC) Directive 2014/30/UE.

The CE Declaration of Conformity, along with the references to the standards in relation to which conformity is declared, can be found [www.fif.com.pl](http://www.fif.com.pl) on the product subpage.
